K9 Officers Program

Our K9 Officers program challenge experienced officers while providing and developing skill sets for every level of K9 team. This program provides practical daytime and night time scenario based training supported by classroom lectures by our world renowned instructors. This program is designed to hone your training as well as your tactical skills and provide you the tools you need during hostile situations. Some of the training you will experience includes:

- Real life scenario based training
- High risk tactical deployment
- High risk vehicle stops
- Live fire training
- Tactical Building Searches
- Problem solving techniques
- K9 behavior modification
- K9 Officer safety
- Problem Solving
- German Muzzle Techniques
- Legal Updates

40 Positions Available

K9 Commanders Program

The K9 Administrator and Management program is designed for those whose role is to administrate K9 teams.

Learn the full potential of your K9 teams and how to achieve higher standards within your unit. We will provide you with the latest in K9 legal updates and teach you how to protect yourself and your agency from the potential liabilities that come with operational K9 teams.

- Creative budgeting techniques
- Selecting training schools
- Handler and dog selection
- Developing your unit
- Legal updates specific to Administrators
- K9 Unit record keeping
- Community relations

The K9 Commanders course is beneficial to administrators with any level of experience over K9 units, and particularly for new K9 administrators. Learn how to support, manage and deploy valuable K9 resources.

Just a few of the many questions answered in this program:

How much training to my officers need?

What do I look for in a reputable training school?

What liability do I carry as a K9 supervisor?

How do I protect myself and my city from civil liability?

20 Positions Available

Patrol Officers Program

New!

Our tactical K9 deployment for patrol officer program teaches patrol officers how to work with K9 teams in both training and tactical capacities. You will learn about K9 behavior and have a better understanding of how K9 teams operate. Every patrol officer that works alongside K9 teams should be encouraged to complete this program.

If you are looking towards a future career as a K9 handler, this course is the perfect introduction to give you live training hours to put towards your resume, providing you a certificate from one of the most well known and prestigious K9 training schools in the industry.

- Tactical movement with K9
- Escorting a high risk track
- Criminal psychological profiles
- Canine behavior
- Building search techniques
- Decoy training

15 Positions Available
